KOLSHET IS OVER-CROWDED.

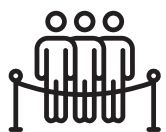

Kolshet became premium. But most developments became larger, denser, and more shared.

TOO MANY HOMES
Large-scale developments changed the way Kolshet lives.

TOO MANY PEOPLE
More residents meant more pressure on everyday spaces.

OVERUSED AMENITIES
Amenities exist, but access often feels limited.

LESS PRIVACY
Premium living should not feel like a queue.

Kolshet didn't need more scale. It needed a better way to live.
